Image Credits

The album cover for the Electric Treatment Free EP is based on a photograph taken by Dr. Ali Oktay Uygur (deceased).

The web page header on the Electric Treatment Free Bandcamp web site (<https://electrictreatmentfree.bandcamp.com/album/electric-treatment-free-ep>) is based on an image from page 391 of the text “High frequency electric currents in medicine and dentistry: their nature and actions and simplified uses in external treatments” by Monell, S. H. (Samuel Howard); published in 1910. The text is in the public domain.

Production and Composition Credits

All tracks composed and produced by Mark Uygur.
